ICON

# Style **Icon**

Icon è sinonimo di genio, creatività e stile. Le nostre collezioni rappresentano un'alchimia perfetta di design e capacità di innovare. Lo stile inconfondibile Icon nasce dall'eleganza italiana arricchita dalla vocazione internazionale di un design fortemente contemporaneo. Icon ridefinisce le regole del vivere all'aperto.

**Icon is synonymous of genius, creativity and style. Our collections are a magical blend of design and ability to innovate. The Icon style is inspired by the Italian elegance and is enriched by the international vocation for highly contemporary design. Icon redefines the rules of the outdoor living.**

## Allurecollection

Design Christophe Pillet

Informale ed elegante, contemporanea ma legata alla tradizione. La collezione Allure, firmata Christophe Pillet, nasce dal desiderio di unire eleganza ed informalità. Una modularità inconsueta che, partendo da delicati piedini in alluminio si sviluppa in orizzontale attraverso una solida cornice in legno d' Accoya. La cuscineria geometrica e lineare, di diverse dimensioni, è in grado di dar vita a diverse combinazioni e scenari. Il risultato è una collezione dall'animo inquieto in grado di conferire carattere ad ambienti outdoor in perenne mutamento.

Informal and elegant, contemporary but at the same time tied to tradition. The Allure collection, designed by Christophe Pillet, gets its inspiration by the desire to combine elegance and informality. It is characterized by an unusual modularity that, starting from delicate aluminium feet, develops its shapes through a solid Accoya wood frame. The geometric and linear cushions in different sizes make it possible to create different combinations and scenarios. The result is a collection with a restless soul capable of giving character to mutable outdoor environments.

## Salinascollection

Design Ludovica+Roberto Palomba

La collezione Salinas trae ispirazione dall'omonima regione naturale di Ibiza. Un progetto in cui si è voluto portare la raffinatezza tipica dell'indoor nel mondo outdoor, accorciando sempre più la distanza tra i due ambienti mettendoli in continuità. La collezione è composta da divani e poltrone in cui la componente tessile è predominante. La cinghia imbottita ed i preziosi dettagli metallici visibili nei terminali degli schienali, conferiscono alla collezione fascino ed eleganza senza tempo.

The Salinas collection draws inspiration from the homonymous natural region in Ibiza. Through this project, Ludovica + Roberto Palomba bring the typical refinement of the indoor world into the outdoor world, shortening the distance between the two environments, bringing them into continuity. The collection consists of sofas and armchairs in which the textile component is predominant. The padded belt and the precious metal details visible in the ends of the backrests create an elegant and timeless charm.

## Georgecollection

Design Ludovica + Roberto Palomba

Un progetto che nasce dallo scopo di unire leggerezza e comodità nella vita en plain air, andando a ridisegnare situazioni che trasmettano sensazioni di intimità e relax, sempre nel massimo rispetto dell'equilibrio ma soprattutto della proporzione. La struttura in acciaio inossidabile è il fil rouge del progetto, totalmente rivestita da un intreccio in corda leggermente imbottita. Un design avvolgente, che per i materiali utilizzati, strizza l'occhio al mondo della nautica. Alla leggerezza visiva della struttura intrecciata fanno da contrappunto cuscini di seduta e schienale generosamente imbottiti.

A project that was created with the aim of combining lightness and comfort in life in the open air, redesigning situations that convey feelings of intimacy and relaxation, always with the utmost respect for balance but above all for proportion. The stainless steel structure is the fil rouge of the project, totally covered with a slightly padded rope weave. An enveloping design whose materials are reminiscent of the nautical world. The visual lightness of the woven structure is counterpointed by generously padded seat and back cushions.

## **Argo**collection // Wood

Design Ludovica+Roberto Palomba

Collezione ispirata al tema della scatola di legno, si presenta con un linguaggio rigoroso, pulito e geometrico, caratterizzata da grandi fascioni laterali che contengono la cuscineria e rendono la seduta profonda ed accogliente. A questo gioco abbiamo voluto unire dei piedi a slitta creando così una magica sospensione dell'imbottito e delle proporzioni. La collezione si arricchisce con un imbottito dalla forma scultorea, caratterizzata da un avvolgente volume intrecciato. Generose le sedute imbottite e il particolare piede in legno che dialoga perfettamente con gli altri elementi della collezione.

Argo collection is inspired by the theme of the wooden box and shows a rigorous, clean and geometrical language. The collection is characterized by big lateral waistbands that contain the cushions and make the seat deep and cosy. To this play we intentionally added a sledge base in order to create a magical suspension of padding and of proportions. The collection is enriched by a padding with sculptural shape, whose peculiarity is an all-embracing intertwined volume. The abundant padded seats and the particular wood feet, perfectly dialogue with the other element of the collection.

## **Argo**collection // Alu Design Ludovica+Roberto Palomba

Argo, un nome evocativo, ricorda l'antica e mitologica nave che veleggiò tra le isole greche alla ricerca del vello d'oro. Argo alluminio è un sistema di arredi outdoor che coniuga una grande ricerca estetica e una grande libertà sul piano compositivo. Argo è un progetto caratterizzato da un'estetica contemporanea; alla rigorosa struttura in alluminio si contrappone la generosità dei cuscini imbottiti. La struttura rivestita in cinghie elastiche ne sottolinea le forme profonde ed accoglienti, ad essa sono uniti dei piedi a slitta che creano una magica sospensione dell'imbottito e delle proporzioni.

Argo, a mythological name, that is inspired by the mythological wooden boat that sailed around the Greek islands, in search of the legendary golden fleece. Argo aluminum is an outdoor furnishing system that is a perfect match of a great aesthetic experimentation and extraordinary versatility in terms of personalization. Argo is a project characterized by a contemporary aesthetic. The generous size of the upholstered cushions offsets the austerity of the aluminum structure. The frame covered by elastic belts emphasises the deep and cosy shapes which characterize the collection, magically suspended on the sledge feet which create a perfect balance between the upholstery and the shapes of this new modular sofa.

**Cruise**collection // Teak  
Design Ludovica+Roberto Palomba

Ispirata al mondo della nautica, la collezione Cruise nasce dal desiderio di rievocare le emozioni uniche che solo una traversata nei mari più belli del mondo può regalare. L'uso di materiali nobili come il legno nella base, associato ad un'accurata selezione dei tessuti, conferisce un appeal elegante sofisticato all'intera linea. La corda, vera protagonista, avvolge schienali e braccioli di ogni elemento di seduta della collezione: poltrone living, divani modulari o a struttura fissa e poltroncine pranzo.

Inspired by the nautical world, Cruise collection is built upon the desire to recall the unique emotions of sailing in the most beautiful seas in the world. The use of fine materials, such as the wood in the base, and an accurate fabrics' selection convey to the entire collection an elegant and sophisticated appeal. The rope plays the lead role in this collection and is intertwined with the armrests and backrests of every seating element: living armchairs, fixed and modular sofas and dining armchairs.

## **Cruise**collection // Alu Design Ludovica + Roberto Palomba

L'eleganza e il sofisticato appeal della collezione unite alla contemporaneità dell'alluminio delle strutture danno vita alla Cruise Alu. La collezione è caratterizzata da una base in alluminio con piedini pressofusi. La tecnica della pressofusione ha permesso di progettare nel dettaglio il piede che si fa elemento distintivo della collezione donando all'imbottito e ai tavoli un maggiore impatto estetico.

The elegance and the sophisticated appeal of the Cruise Teak combined to the modernity of the aluminium frames give life to the Cruise Alu. The collection is characterized by the use of an aluminium base with die-cast aluminium feet. Die-casting process allows to design accurately the foot, that becomes a distinctive element of this range and improves the aesthetic impact of sofas and tables.
