/ NUBES MOB

copertura mobile
opening roof

Nubes Mob è una copertura mobile con sistema di apertura, motorizzata o manuale, per vivere lo spazio a cielo aperto, filtrando il sole e la luce a piacimento. La struttura in alluminio dal design essenziale lascia spazio a moduli di grandi dimensioni a scelta tra vetro stratificato o pannelli innovativi ad elevate performance termodinamiche.

Nubes Mob is a sunroof with a motorized or manual opening system that makes your open space livable by filtering the sunlight.
The aluminium structure with its essential design leaves space to large slabs of laminated glass or to innovative panels at high thermodynamic performances.
